SITE PLAN 

# EXACTLY WHERE YOU NEED TO BE

**Border Business Park** offers significantly more favorable tax rates in Leduc County compared to Edmonton. For example, the projected tax savings for a 270,000-square-foot space are approximately \$2.44 per square foot per year. This translates to an estimated annual savings of \$657,956.

It's no surprise that major international companies like Amazon, along with thriving local businesses, have chosen to establish their operations here.

Developed by Hopewell Development, a trusted name in commercial real estate for nearly 30 years, Border Business Park exemplifies quality and innovation. Businesses across all industries rely on Hopewell for intelligent, tailored real estate solutions—making them one of North America's leading commercial developers.

Multiple demising options available:  
115,000 SF | 135,000 SF | 154,000 SF

**BUILDING M IS DESIGNED TO BE LEED® GOLD Construction**

As one of Canada's largest and most dynamic commercial developers, Hopewell is committed to conducting our business activities in an environmentally conscious manner.

Hopewell's Building M, pursuing LEED® Gold Certification, provides energy savings and environmental benefits.

As a LEED® GOLD certified building, Building M will use fewer resources, reduce waste and CO2 emissions, and maximize the health and productivity of tenants and occupants. The building's reduced utility consumption will also result in substantial reductions in energy, water and maintenance costs, while addressing climate change, enhancing resilience, and supporting stewardship of valuable resources.

- Installation of Photovoltaics (PV) to produce affordable, sustainable energy with a combined production of 740,000 MW (megawatt) per year, the equivalent of approximately 1,300 solar panels
- Intelimeter advanced energy metering system with energy analysis software
- Electrical vehicle (EV) charging stations (2% of total parking stalls = 6 EV charging stations)
- Cambridge rooftop high-efficiency = heaters
- Use of building materials and furnishings such as paints, sealants, adhesives, and carpeting with low levels of VOCs (volatile organic compounds) and formaldehyde
- Green cleaning to reduce harmful chemical, biological, and particulate contaminant

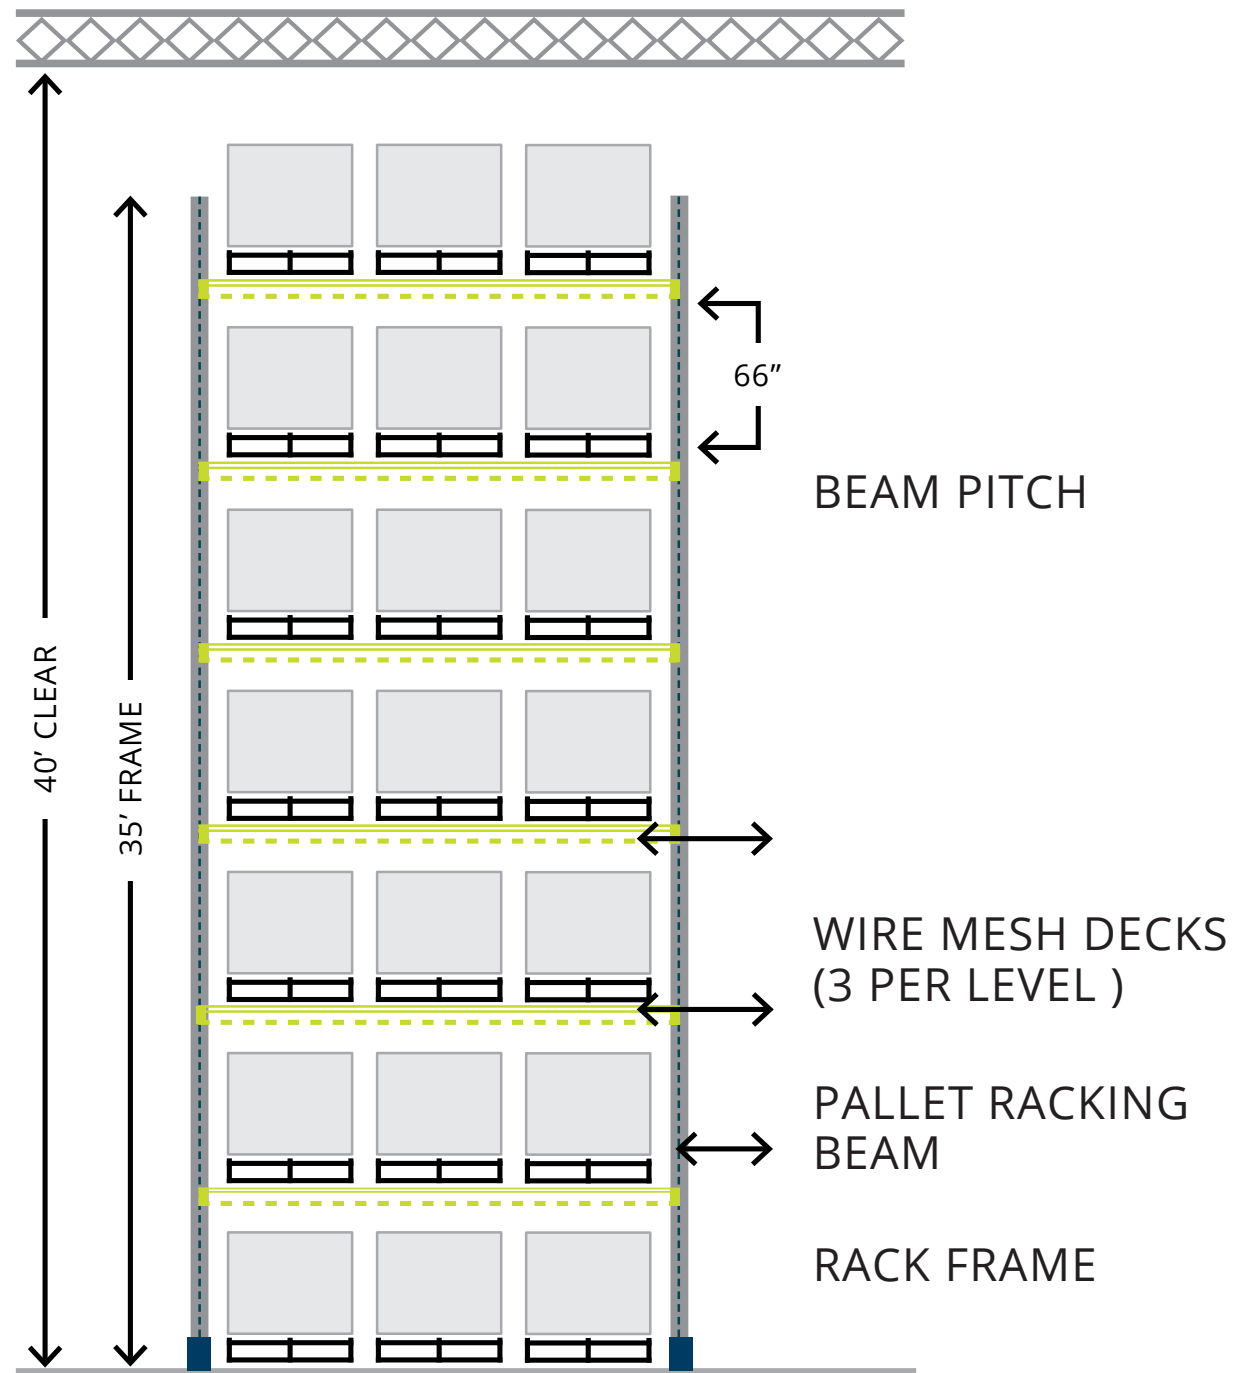

**LEED® Gold certification, combined with the installation of a solar array, makes sustainability effortless at Border Business Park.**
